CROFT

Product Code:	MR
Product Name:	Minimalist Rose
Description:	Befitting a luxury, clean aesthetic, the Minimalist Rose is compatible with our Elements and Classic door levers, as well as our Classic knobs. At only 26mm in diameter the Minimalist Rose sits unobtrusively on the door, allowing the fine detail and silhouette of the hardware to take centre stage. Pair with the Minimalist Escutcheon or the Minimalist Rose for Turns to create a unique aesthetic. Shown here in our Antique Brass finish.

Product Information

For installation, drill a 19mm (3/4") hole to allow a friction fit.
