CROFT

Product Code:	MTR
Product Name:	Minimalist Rose for Turns
Description:	Compatible with all of our Elements and Classic turns*, and befitting a luxury, clean aesthetic.

At only 16mm in diameter the Minimalist Rose for turns sits unobtrusively on the door, allowing the fine detail and silhouette of the hardware to take centre stage.

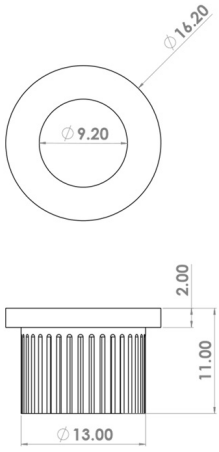
*The Minimalist Rose is not compatible with the 6430 and 6432 turns.

Pair with our Minimalist Rose for levers and knobs, and Minimalist Escutcheon.

Shown here in our Zero Black finish.

Product Information

For installation, drill a 13mm (1/2") hole to allow a friction fit.



Available in all Croft finishes excluding DAB, DAN, DORB, IBMA, IBUL, MBK, ORB, RBMA, TB, CN,
